Grace

What is Grace? Most people define it as “unmerited favour” – but it’s even more than that. Not only is grace unearned and undeserved, it doesn’t depend on anything we do or don’t do. God’s grace towards us is unconditional and is the same towards everyone – whether we are the greatest sinner or the greatest saint. The bottom line is that God loves every one of us and has made his provision available in every situation. Below, you will find more about what God has provided for us in his amazing grace.

We can have everything we need by getting to know God and his son Jesus, and the promises he has made to us. ... by His divine power [he] has granted to us everything pertaining to life and godliness, through the true knowledge of Him who called us by His own glory and excellence. For by these He has granted to us His precious and magnificent promises ... **2 Peter 1:3-4** (NASV)

Some of the main things included in what God has provided, are : – an intimate relationship with God the Father; forgiveness of sin; healing; prosperity; deliverance and righteousness. That’s only the start. As we study the Word of God, we find more and more promises of God from which we can benefit.

God has made salvation available to all men whoever they are and whatever situation they are in. For the grace of God that bringeth salvation hath appeared to all men. **Titus 2:11**

Everything God’s grace has provided is accessed by faith. ... we have access by faith

Everything God’s grace has provided is accessed by faith. ... we have access by faith

into this grace wherein we stand ... **Romans 5:2** so neither grace nor faith are sufficient on their own. We need both, otherwise we will not be able to access what God has made available.

Many people don't receive the things God has provided, because they try to obtain them by good works. That doesn't work! God's grace is accessed by faith not works And if by grace, then is it no more of works: otherwise grace is no more grace. But if it be of works, then it is no more grace: otherwise work is no more work. **Romans 11:6**

Because we are under grace we are no longer under law. Paul says this quite categorically in **Romans 6:14** For sin shall not have dominion over you: for ye are not under the law, but under grace. – so we need not strive to keep the ten commandments to try to please God. Nevertheless, grace does not give us a licence to sin. If we do, Satan has an inroad into our life – and the results are deadly.

The grace God provides works in different ways in different circumstances. Sometimes God delivers us from our problems eg. sin; sickness; poverty and ill health, but in other cases he gives us the strength to endure – eg. in everyday situations or when we are persecuted for Christ's sake.

Benefit all you can from what God has provided and don't waste it. Grace may be free to you – but it cost God his Son.
